

**SUMMER  
CAMP  
2017**

Located in downtown Seattle, Spruce Street School offers eight one-week summer camp sessions for children ages 5–10. Weekly themes connect the daily activities, which include beach trips, water exploration, hikes, indoor playtime, and art projects. Counselors work to understand children’s interests, helping them to make strong friendships while enjoying a full Seattle summer experience.

**Every day campers leave the school on a field trip, including at least one beach trip each week.**

# EACH WEEK AT A GLANCE

## Week 1 • Animals

June 26–June 30

Join us as we investigate the many animal habitats of Seattle, both indoor and outdoor. We will see much of what the amazing animal world has to offer without ever leaving the confines of the city. Lions and tigers and bears, oh my!

## Week 2 • Variety

July 3–July 7

This week has something for everyone: games, time outside, **AND** an overnight sleepover at Spruce Street School! This week is special because there is no camp on Tuesday, July 4th, meaning it is a **4-day week**, but includes an **overnight** on Thursday. Pick-up on Friday will be at 4:30 pm.

## Week 3 • Sports & Games

July 10–July 14

This week will be full of fun games and sports activities for the athlete in all of us. The highlight of the week will be Kids' Day with the Seattle Storm basketball team. Run, jump, hop, skip, swim, play ball ... you name it, we can do it. Ready? Set? Go!

## Week 4 • Water Week 1

July 17–July 21

Travel around Lake Washington to different beaches and parks. Whether you are swimming, paddling or splashing, you are bound to have a wet and amazing time.

## Week 5 • Transportation

July 24–July 28

Is it a plane? Is it a boat? No! It's Spruce Street School Summer Camp! We will spend this week exploring the city through various modes of transportation. With a ferry ride across the Sound, a visit to Jetty Island, and a trip to the Ballard Locks you won't want to miss this action-packed week.

## Week 6 • Great Outdoors

July 31–August 4

Put on your hiking shoes and get ready to explore Seattle's most interesting parks and outdoor locations! Build a fort out of driftwood, climb trees, explore our urban trails, and get to know more of what our great city has to offer.

## Week 7 • Food Week

August 7–August 11

This week is all about food. Food to eat, food art, food field trips and learning about where food comes from. Bring a favorite recipe to share with the group.

## Week 8 • Water Week 2

August 14–August 18

Another week overflowing with fun trips to the water! Favorites include Jetty Island and Henry Moses Aquatic Center. Cool off with days full of soggy destinations, water balloons, and sprinklers! **We will close a little early Friday, August 18, (at 4:30)** to get ready to start another exciting school year.
